FROM THE DIRECTOR'S DESK

September and October strike me as a season of change. September enters the scene with the last remnants of summer months hanging on, sometimes still quite warm. By the end of October we may be pulling on winter jackets while we watch the last of the leaves fade from green to orange to brown and finally to fall away.

Your Morton Grove Public Library is in a season of change as well. The summer saw us implement self-service checkout machines and a self-service hold shelf. Librarians enjoyed the looks on people's faces as we opened the front doors for the first time in over 30 years! We created a Productivity Area for faxing, scanning and creating content on library equipment. Did you see us pushing book carts in the 4th of July parade? Far from resting on our laurels, after a very successful Summer Reading Program we are heading into the Fall with a plethora of exciting programs and cutting-edge services.

Watch our catalog for increased search functionality both in the library and via our website. Find e-books and other downloadable media through Hoopla, My Media Mall, and eRead Illinois. Attend an MGPL After Dark concert or use your creative talents to help out a charity. Need personal assistance with your laptop, device or gadget? Call us, we want to help!

There will be more exciting changes ahead. I look forward to seeing you stopping in to check it out!

Debra Stombres, Library Director

NEW DISPLAY CASE!

Are you an avid collector of unique items?

Here is your opportunity to dust off those meaningful items and share your collection with the Morton Grove community. The library has a new showcase that can be used for exhibiting your personal collections.

Items deemed suitable and appropriate – such as salt & peppers shakers, vintage postcards or comic books, and other similar collections – are welcome to be displayed.

For more information, please contact Adult Services at info@mgpl.org or call 847-929-5101.

SEPTEMBER IS NATIONAL LIBRARY CARD SIGN-UP MONTH!

Come on by the library and be a part of National Library Card Sign-Up Month!

During the month of September, Morton Grove residents who sign up for a new library card or renew an existing one (cards that expire before Dec. 31, 2014) will receive a free MGPL tote bag. You will also be entered for a drawing for a chance to win tickets to **Fear City Haunted House**.

Tickets were donated by Fear City Chicago.

RFID TAGGING

If you've been in the library recently you may have noticed unusual things going on in the stacks -- power cords running through the aisles and staff attaching something to every book. What's it all about? In four letters, RFID -- or radio frequency identification. RFID is a technology used in a wide variety of industries, including an increasing number of libraries, to track and maintain better control of their inventory. In libraries, its primary benefit is faster checkouts -- both by staff at the check-out desk and by library users at our new self-checkout stations.

The RFID tags currently being placed in every item in the library's collection are encoded with the item's barcode number and a "flag" indicating whether or not the item is currently checked out. No information about the person borrowing an item is ever stored on the tag.

This project should be completed by mid-fall.

CRAFTING FOR CHARITY

In July we rolled out a new and exciting program that offers an opportunity to learn, participate in creating items for charities, and socialize along the way. We are continuing with Crafting for Charity in September and October, and it is not too late to join! See details on page 10.

DID YOU KNOW THAT MGPL PROVIDES HOMEBOUND SERVICES?

Library staff deliver books and other materials to Morton Grove residents who are confined to their residences either temporarily, due to illness, or permanently, due to age, disability or other mobility issues.

Fill out an application at **www.mgpl.org/about/homebound-services-pol** or just give us a call at 847-929-5101 to start the service.
